The outstanding loan book (Fund Base) as on 31st March, 2018 was Rs. 12,816 Crores. For more information log on to www.ptcfinancial.com

JOB ROLE & THE INCUMBENT

The Managing Director and CEO for PFS will be responsible for nurturing a people driven and people focused organisation. The key responsibilities would be to lead the PFS team as a grounded yet progressive leader with highest regard for people, values and ethics.

The leader's deliverables would be helping the growth of a focused organization with a healthy balance of customer facing and back-end / assurance functions. The primary business deliverables will be to ensure consistent returns on the asset side, generate a broader base of sources of funding, ensuring adequate liquidity, ensuring a consistent and sustainable growth profile, engaging with regulators such as RBI, SEBI; complying with all regulatory and legal requirements, ensuring a consistent return on capital. Overall, s/he would ensure proportionality of returns to risk taken in business opportunities, and adoption of a holistic approach to managing and reducing risk from an organization wide perspective.

The MD and CEO will also be responsible for the development of products and services in line with market needs, and constantly developing a robust governance framework of the organization, managing investors and stakeholders' interest and developing a culture of openness and transparency and trust in the organization.

A key expectation from the position would be effective interfacing with the Promoter Company to operate within the group policies relating to brand, people and risk matters will be an imperative.
