Sub: Clarifications by the company on the recent media reports

PTC India Limited, the leading provider of power trading solutions in India, issued a clarification about the recent media reports on PTC's promotor companies selling their equity stakes in PTC.

The management of the company has reviewed the media reports and would like to clarify that PTC is not aware of any such developments of stake sale by the promotor companies. It may be noted that all the four (4) promotor companies have nominated their senior officials on the Board of PTC who have always been actively participating in the board meetings and consistently guiding the company for its future growth.

Please take the same on your record.

Thanking you,
